

ClinReact™

Clinical Chemistry Reagent

Clinical Chemistry Reagent

- ★ Comprehensive Test menu for Enzymes, Substrates, Electrolyte & Specific protein Parameters.
- ★ Ready to Use Liquid stable Reagents.
- ★ Reagents provide High Linearity, Sensitivity & Long Shelf life (18 Months).
- ★ Each parameter offer Long Working Reagent, On Board & Calibration Stability.
- ★ Accurate & Precise result ensure with low Interference from Icteric, Lipemic & Haemolysed samples.
- ★ Customised Pack size for each parameter to suit each Laboratory workload requirements.
- ★ Prefilled Vial Open Pack configuration allow reagent preparation without pipette.
- ★ Specially designed Mono Vial pack size provide ease of convenience in Analysis.
- ★ Clinreact Reagents available in Open & System pack configuration.
- ★ Various Instrument Programming Sheet available on request.

ClinReact™

Clinical Chemistry Reagent

Clinical Chemistry Reagents:

A wide range of liquid stable clinical chemistry reagents, with long shelf life and ready to use pack sizes, produced in the state of the art manufacturing facility under make in India initiative

Hepatic Panel / Liver Panel

- Alanine Aminotransferase (ALT)
- Aspartate Aminotransferase (AST)
- Alkaline Phosphatase (ALP)
- γ-Glutamyl Transferase (γ-GT)
- Direct Bilirubin (D-Bil)
- Total Bilirubin (T-Bil)
- Total Protein (TP)
- Albumin (ALB)

Electrolytes

- Calcium (Ca)
- Phosphate Inorganic (P)
- Phosphorous
- Magnesium
- Sodium
- Potassium

Others

- Adenosine Deaminase (ADA)
- Ammonia
- Lipase

Lipid Panel

- Total Cholesterol (TC)
- Triglycerides (TG)
- HDL – Cholesterol (HDL- C)
- LDL – Cholesterol (LDL – C)

Cardiac Panel

- Lactate Dehydrogenase (LDH)
- CKMB**
- CKMB**

Renal Panel

- Urea (UREA)
- Creatinine (CREAT)
- Uric Acid (UA)
- Enzymatic Creatinine
- Urine Protein

Specific Protein Panel

- Antistreptolysin O (ASO)
- Rheumatoid Factor (RF)
- C-Reactive Protein (CRP)
- Microalbumin (mALB)
- Ferritin

Pancreatic Panel

- α-Amylase (α-AMY)

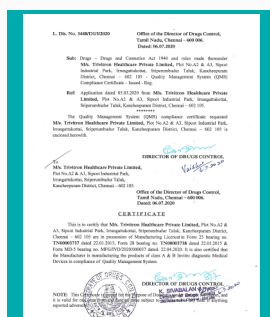

Diabetes Panel

- Glucose
- HbA1c

Coagulation Panel

- D-Dimer

Accreditation & Acknowledgements

*Please note: Product specifications are subject to change without prior notice owing to product modifications, improvements / up-gradation.
**to be launched soon
